## ABOUT ME

Hello! My name is Ivie and my passion lies in creating content with a story. Whether it is photography, animations, or video; I want to create something that sparks emotion for all that see it.

## WORK EXPERIENCE

○ September 2023  
Poolhouse Co.

**BTS/Portrait Photographer**

Commercial ad work encompassing behind the scenes images of the production at work, portrait photography of every talent member for the commercial, and meticulous editing of each image for the given deadline.

○ 2021 - 2023  
Mr Beast Youtube LLC

**Second Camera**

Assistant to lead position of the camera department and supporting in all camera department needs such, as but not limited to, coordinating travel and booking of contractors, purchasing and testing any equipment needed for the upcoming video project, managing contractors on their positions and what work needed to be done by them, setting up lighting and cameras, filming, scouting locations, etc.

○ 2020-2021  
Lifetouch

**Senior Photographer**

Professional photographer amongst many on-location areas and a studio-based setting. Responsible for my own gear and sets, prepping every set before models arrived, photographing every model with different poses/props in a timely manner, editing and printing all images, and managing sales with purchasing customers.
